START SELECTION SUBMIT

Selection of students for different modules is based on :

- Annual Aggregate in F.3 Mathematics
- Student's Preference
- Availability of places

Please contact Mr. Chan Kam Hung, the Panel Chairman of Mathematics, at 27415034 for enquiries.

## Part C: Form 4 Subject Selection

5. If your rank in F.3 Annual Aggregate falls within the top 50%, you will be asked to choose an elective subject in Elective Block 1 first. Please press the button accordingly. For those whose ranks are lower than 50%, you are simply required to choose 2 elective subjects: one from Elective Block 2 and the other from Elective Block 3.
